I promised Alex that if he came over today and helped me with chores around the apartment, I would pay him with a great dinner. Well, he didn't want dinner. He wanted a blow job. I told him I had only done a handful so I might not be very good at it. He said even better, I could learn something from it. I agreed but told him that after I finished, he would have to fuck me. He said he'd think about it!

BLAIR-NTS-03

On an early edition of 'The Newlywed Game' the brides were asked of the most unusual place they've ever made whoopie. Her answer:

Why, that be the butt.

Anal sex can be a great part of your active sex life. If you have a mate willing to take it in the butt, most likely it will be a pleasurable experience for the both of you. If she's reluctant but willing to try, give her a chance to warm up to it. If she's totally not interested, then, well, then...

Take your time and enjoy the process.

Let's explore the possibility of it with the woman you're with. First, she has to be willing. If she is, and assuming you are, then be sure to be cautious as you proceed. If you want the butt love to continue, she cannot have a bad experience getting there.

Good foreplay is essential to good anal sex. For most couples the anal experience comes with good and bad reviews, but until you share it with your partner, having a positive dialog and attitude is almost mandatory. So becoming comfortable with your partner is imperative.

You could start by giving a massage to relax her, ending in a rub between the vagina and the anus – the perineum. Then try licking her there – a rim job. Obviously and importantly, her butt crack and anus should be clean. More on that later.

Begin by massaging her anus with a well-lubricated finger. Using a lube specifically designed for anal sex is preferred. Be sure your fingers are clean and your nails are trimmed close and smooth. Then start by slowly inserting one finger, and be sure she is comfortable with it. Once she feels ready – you can tell, her sphincter will relax and loosen around your finger – insert a second finger.

There are ways your female partner can prepare herself for anal sex without you. She could begin by playing with herself before going at it with a partner. Try an anal training kit. It's a great way to get started, as this will give you different sized plugs to play around with. A larger butt plug can be a great

Bob.

next step. Some prefer dildos, but a plug may be better for a first- or second-timer. The design of butt plugs provides a flared base or some kind of handle to provide a greater sense of control. If she feels a shooting pain, tell her to try to breathe and relax through it, and pull whatever is in her out. Encourage her that it's only normal and wait to try it again when she is more receptive.

When you two are ready for anal sex, you'll find that positions for anal sex are as varied as those for vaginal sex, and just like vaginal sex, she'll have her own personal preference.

For the first-timers and anal beginners, try anal in the 'cowgirl' position. Have her sit on your penis so she can control it as it goes in. A second good position is for her to lay on her back with her legs pulled back and hips slightly elevated. Then try it 'doggie-style' but here the man is more in control, and that position makes it easier to thrust hard and deep. Be careful here.

Here are some guidelines to help make anal sex a pleasurable experience for the both of you. Be safe. Be well. Have fun.

1 Stay well lubricated. Unlike the vagina, the anus is not self-lubricating. Anal lube is best for the job, and if you're particularly sensitive, numbing cream can help reduce painful sensations when you start out.

2 If she's a beginner, having something inserted into her anus can be an intense experience; the general reaction is to tense up. Learn to relax. Try various things to relax: take some deep breaths, try a full body massage, start slow and small with toys or fingers. Then lose yourself in the moment. If you two do things right, she'll realize that pain can very

butt love.

quickly give way to immense pleasure. It might take a few tries to get it right the first time, but just stay with it.

3 Contrary to popular belief, it is not advisable to use an enema or douche before anal sex. Not only does this tighten the anus to the point of discomfort, enemas are unnatural and strip the rectal lining of its protective mucous. This can lead to rips, bleeding and general discomfort. Instead, just make sure the bowels have emptied and be sure it's clean.

4 There are water-based lubricants that are optimized for anal sex. The viscosity is thicker, which generally yields a more comfortable and pleasurable experience. Silicone-based lubricants can stay wet longer and do not get as sticky. Just starting out? Get a small bottle of both and see which you prefer.

5 It is possible for women to get a UTI – Urinary Tract Infection – from anal sex. But it is also easily preventable. Vaginal sex before anal sex is recommended. The other way around can cause cross-contamination and could lead to a UTI. If you feel compelled to have anal sex before vaginal, be sure to clean off your penis before going for round two. Same goes for toys, for which we recommend a toy cleaner to ensure everything stays spic and span. Fi-

nally, condoms are the best way to keep things clean. Just make sure new ones are used between sessions.

6 Once she relaxes, she'll be surprised by how easy anal penetration can be, even if she's a newbie. Take your time, use plenty of lube and breathe deeply. Consider using butt plugs and other toys to maintain control and get used to the new sensations.

7 There are water-based lubricants that are optimized for anal sex. The viscosity is thicker, which generally yields a more comfortable and pleasurable experience. Silicone-based lubricants can stay wet longer and do not get as sticky. Just starting out? Get a small bottle of both and see which you prefer.

8 The feeling that she may have to poop is entirely normal in the beginning. But she most probably won't have to. As always, relax and let the sensation subside. With time, you will be able to distinguish between going to the bathroom and that anal feeling.

9 Almost all women who engage in anal sex will eventually climax anally. The nerve endings inside the rectum are sensitive and can be pleasured. The sensations and degree of pleasure depend on the individual woman and her own experience.

GIRL NEXT DOOR

PRESSLEY

This little cutie stands just over five foot tall, but she oozes sex from every inch. She says she's been sexually active ever since her sophomore year in college. She says she had her first lesbian experience with her college roomie. Some may call it experimentation, but she called it a whole lot of fun! Well, Pressley, we're glad you did.

KATIE

When the thirst for sexual release struck while she was reading a magazine, Katie went with it and slipped right out of her clothes. After pulling down her dress to tease her hardening nipples, Katie stripped down and slipped her hand underneath her panties to see how wet her pussy was. After she'd taken off all her clothes, she started rubbing her pussy and tracing her clit in lazy circles. We think you know the rest!

KSUSH

Ksush loves huge cocks, but that will wait for now. She started out by undressing and revealing her lithe body. Those boobies and that firm ass were as ready as could be. She spreads out and played with her wet pussy for us before bringing out the whipped cream. Soon her boyfriend joins in and she got her pussy filled and drilled until she got creamed all over.

GIRL NEXT DOOR KSUSH

"You can watch my hot young girlfriend getting her asshole fucked hard for the very first time. I caught the whole thing on my home video camera for never forget this special occasion. I found her lying on the bed rubbing lotion all over her body. When she finished she told me that she was ready to have her first anal experience and I am more than happy to oblige. Ksush then lets me cum on her pretty 19 year old face! We had fun making the video. We hope you enjoy it, too."

Two uninhibited blondes with gorgeous bodies.
Here I find myself involved in an awesome threesome with
two gorgeous women.

a gallery of sexual delights

Last spring I met a lady from Jacksonville who said she was in the process of developing a new golf course around Pensacola. She said she liked how I handled my job as landscaper and asked if I would partner in landscaping the new course. I could hire local help as long as I oversaw the projects. That was last year and Brandi, and I have been successful beyond her expectations.

However, now she has tried to start a non-business relationship with me. For many reasons I do not want one. She is an attractive woman, just the kind that would be far too into a serious relationship, and with being in a business together, things could get all messed up pretty quick. I'm in my mid-twenties, don't know what my future will hold, have been called handsome, and blessed with an eight inch cock that many women have always loved. I have told Brandi that I don't want a relationship with her, yet she keeps trying.

Brandi has a boarder, Alyssa, just out of college, who has a very nice body and pretty face. She is tall with full, firm (I assume, not having touched them) breasts and has a sexy way about her. She always has a date and many guy friends

that come around. I had noticed her body but never thought of her in any other way than my partner's boarder. Now, Alyssa's moved into Brandi's house because she just broke off a bad relationship. Brandi still works at home so I'll often drop off some of our business' paperwork for her to review at home.

I stopped by one morning to drop off files from the last week. I al-

ways call ahead because it's the polite thing to do. Today, Alyssa answered the phone and told me it was okay to come over. I came in and she offered a cup of coffee and sat down with me at the kitchen island.

Shortly afterwards she asked if she could ask me something without offending me. Of course, I said, and then she asked me if I was dating Brandi. I said I was not and had no intention of doing so. She said Brandi sometimes leads others to think that she is in a relationship with me. I told her that's been an ongoing problem, but I have told Brandi many times that would not happen.

We paused the conversation and each took a sip of our drinks. I asked about her boyfriends and she said she was just about over men. She said every guy she sees wants a relationship and she doesn't. I asked her why she would go out with them if she did not want a relationship. She said she hoped I did not think badly of her, but she really loves sex. I did not know what to say, other than I can understand and who doesn't like it. We each took another awkward sip and momentarily avoided eye contact.

Then she looks directly at me and asks if I'm sexually active. I thought very hard, feeling she could be fishing for info on Brandi. She could see my hesitation and let me know this was only between us! I felt better about that, and let her know I have had sex with a couple women lately but run into the same issues as she has. She laughed and said both of us just wanted fuck buddies. I laughed and said that'd be perfect for me.

Again the awkward pause and then she said the two of us should be fuck buddies. Like the movie *Friends With Benefits*, she said. You know, no love, no commit-

very sexy, handsome and quite fuckable. I froze and did not know what to say. Fuckable? She stood up, walked over to me and started kissing me. I stopped her and said we shouldn't do this. She was not having that, she kept kissing me and slid her hand down on my now growing cock.

She stopped kissing me and takes her top off and tells me how much she wants to suck my cock! I looked at her perfect firm breasts with perfectly tanned areolas. Then she dropped to her knees and had my pants open and cock out in no time. When she saw it, she gasped at my fully hard rod

that and stood up, and I had my hands all over sexy body. It was incredible to enjoy her sexy body. I picked her up and set her on the kitchen table. She asked me to be careful with that big cock and go slow. I laughed and told her it wasn't big cock time yet, and I had to taste her sweet little pussy.

I lifted her legs up, and started on her shaved pussy. She was enjoying it, and kept talking dirty and sexy. I stood up with my big hard cock and aimed it at her small hole. She warned to be gentle and go slow. I eased it slowly into her, being gentle, taking my time working more of it in. Finally I had

ment, no relationship, just sex.

I swallowed long and hard and fake laughed at what she said, thinking she was joking, but she looked at me with big doe eyes and I quickly had to regroup. I told her I laughed because it's not that I wouldn't want to fuck her, or that I did not find her attractive. I told her she is very sexy, and if things were different it would be a great idea. Then she said she found me

saying it's the biggest cock she has ever touched. She starts slowly working my cock over, talking dirty and telling me how much she loves cock. As she keeps working on it, she told me to strip, and how much she loves being naked. She gets her shorts off and never stops on my cock.

I was trying my hardest not to cum too soon and pulled my cock away for a bit. She knew why I did

most of it inside of her. I started working full strokes in and out of her, as her pussy stretched wide to take me in.

As she became comfortable, she told me to make that pussy of hers moan; how much she loves a big cock, and I could do what I wanted with her, and she would do anything I wanted! Then she jumped off my cock and bent down to suck it more and lick

my balls. Then she took me by the hand and led me to the living room where she got on her knees and told me to get that cock back inside her. We fucked and sucked for two hours and two orgasms – each. We crashed back on the couch and from time to time she would suck my cock some more, and telling me how much she loves sucking my cock.

Trying to get me hard again was her goal, but I was going to need some rest. We talked some more

said she got her friend to join us after she told her I had a big cock, and she wants to experience one.

The next night comes around and they both show up. Alyssa introduces her friend Corrie, and immediately says we all should get naked. Her friend was hot and sexy; she was shorter and had a firm, young body with nice large breasts. I notice her friend checking out my cock so I move over and kiss Alyssa and start rubbing her body as her friend watches us.

to watch me lick her friend. As I licked Corrie, Alyssa, moves her mouth in to have a taste. I moved my cock up to her mouth and she just started sucking on it. Eventually we all fucked and sucked till we crashed. The girls spent the night.

In the morning the girls woke up and went to make breakfast. I got up and went downstairs. I heard something in the living room and as I walked in, I see them eating each other out on the sofa. I walk over and offer my cock to Cor-

about being fuck buddies and since that day we see each other about every other day. We have talked about fantasies; hers is to lick pussy, but has not brought it up to her girlfriends. I told her I would love two women at one time, enjoying my cock. She said we should work on those.

That next Friday when she comes over, she tells me she has a girlfriend who wants to get together with us. I could not believe my ears, as she has set it up for Saturday night – tomorrow night. She

In no time Corrie grabs my cock and starts to stroke it. They both drop to their knees and start working on it together.

After several minutes, my knees started to buckle so I suggested that we all move to the bedroom. We all got in bed and I had Corrie on her back licking her pussy, and Alyssa gets behind my ass and pulls my cock back to suck it, every now and then licking my ass. Alyssa asked me if I liked her friend's pussy and I said it was delicious. She then moves up

rie's mouth and she goes back and forth between my cock and Alyssa's pussy. Then she takes my cock and puts it in Alyssa's pussy and I start pounding it into her. I was ready to cum and Corrie pulls me out and drains my cum into her mouth. Then they went back to licking each other to climax.

They finished up and we all cooked breakfast. I tell them I'm the luckiest guy to have two hot sexy girls as friends with great benefits. We vowed to keep this between us and never tell her Brandi.
